Prepared by: Chow Tiam Seng

ABSTRACT

This report is a final report, which I have to hand up to INTI College. This report contains all the information about the outcome of this project *The Electronic Doorman*. It shoes the description and building process of the project, besides that, circuit diagrams and block diagram is also included in this report.

This report can provide absolute information and it is very easy to understand. If you are interested in doing this project as well, please do not hesitate to take the relevant information from this report. Perhaps you can have a better idea what this project is all about.
