**18 Battle for the Cloud**  
Andy Jassy has turned Amazon Web Services into the reigning provider of cloud-computing services. Can AWS keep its crown?  
*By Leena Rao*

**22 Chartist**  
Venture capital's expanding universe.  
*By Stacy Jones and Nicolas Rapp*

64 BING!

**CORRECTION**  
"An Engine Maker's High-Tech Makeover" (June 15, 2015) incorrectly stated that Nissan would offer a version of the Cummins ISF 2.8 engine in its Frontier pickup. In fact, Nissan used the engine in a concept version of the Frontier in 2014 but has opted not to offer it in production versions.

# Venture

**11 How I Got Started**  
J.D. Power has driven change in car research.
