

# **A STUDY ON 3D ANIMATION AND A PRODUCTION OF 3D MOVIE ENTITLED 'MAX LIGERO; ADVENT DARK REID'**

Prepared by: Chandra Fernando

## **ABSTRACT**

---

This project is about 3D animation. It will be develop using 3D Studio Max 2009 and some others software to combine and give some effects to the movie. The result of the project will be able to entertain public. The movie can be watched by everyone from any genre; male and female, and ages; young and old.

This is a movie about a teenager, named Max, who gets a power to fight with dark force which names Dark Reid. A stranger, named Razor, arrive to The Earth in order to escape from Dark Reid after his planet has been destroyed. On the Earth, he meets this teenager. Razor explains everything to Max, and Razor does not have enough power to fight Dark Reid. In order to save the Earth from Dark Reid, Razor gives power to Max. Finally Max defeats The Dark Reid and saves the Earth.
