

SOLDERING IRON CONTROLLER

Prepared by: Ding Lian Onn

ABSTRACT

This project is to show how a soldering work can be done perfectly with this simple but powerful tool, the Soldering Iron Controller. As the name suggested, we can now that it is used to control the heat of the soldering iron. Now, there is the question of how this stuff can control the heat of soldering iron. Then you must go through this project report at once and you will find out the answer satisfactory.

Finally, I have made my conclusion of this project. Moreover, you can refer some data and information about this project in the Appendices. That's all. Hope you will enjoy it. Happy soldering!
