INVESTIGATION ON WEB 3D FOR THE IMPLEMENTATION OF ONLINE VIRTUAL 3D WALKTHROUGH FOR SOCIT AT INTI COLLEGE MALAYSIA

Prepared by: Francis Tsen Kian Shun

ABSTRACT

SOCIT 3D gives an online 3D overview of the structure of the SOCT office and other amenities like computer labs, faculty rooms, etc. With SOCIT 3D, visitors can navigate their views through the digitally remodeled of the SOCIT. Integrated with chatting features, visitors can give suggestion or exchange views with other online visitors. Moreover, a web site will also be included which contain all the necessary information on the SOCIT and the programs it offers. With this application, user can better visualize and experience 3D walkthrough of SOCIT
