

## **PROCESS IMPROVEMENT METHOD (SHORT LINE)**

Prepared by: Koh Yat Loong

### **ABSTRACT**

---

This project is to solve the process line in the company. I managed to convince the management to set up more short line to solve the problems are facing in the company and also involve fewer operators on working, increase yield, reduced set up time, increase productivity, reduced inventory and so on in a focused group as a part of the 'Process Improvement' for this project.
