

IMPROVEMENT LAYOUT OF MIDAH HOTEL'S LOUNGE

Prepared by: Mindy Halim

ABSTRACT

Layout improvement is an action of rearranging or improving the existing layout to find the best location for each workstation that minimized the transportation cost and distances traveled. The title of this project is 'Improvement Layout of Midah Hotel's Lounge'. So the project will concentrate on how and where each of workstation is located and the design of layout of MIDA Hotel's Lounge that minimizes the transportation costs and distances traveled.

For clear understanding, basically the project is divided into 5 main chapters. They are **Introduction, Construction, Result and Analysis, Problem Encountered and Solutions** and lastly **Conclusion**.
