

PREPARATION TENDER DOCUMENT FOR NOMINATED SUBCONTRACTOR (ALUMINIUM AND GLAZING WORK)

Prepared by: Lee Choon Seng

ABSTRACT

The abstract for my final project are to study about windows and measure quantity about fifth storey shops. Besides that, I need to Tender Documentfor windows of fifth storey shops. Other than that, I need to build a model and prepare poster about the literature review for windows of fifth-storey shops. I can able to prepare tender document, build model, as well as do poster presentation.

Preparation of tender document in compliance with the condition of contract PAM 2006 requirements and extract quantities of the drawing base on SMM2.
