

TO STUDY INTO THE RENOVATION OF AN EXISTING HOSTEL ROOM IN INTI-IU

Prepared by: Lim Soon Yeek

ABSTRACT

In this project, I have to study about redesign of the interior decoration to existing hostel room in INTI-IU. From the title, we know that every student will go to hostel to take a rest, sleep, and do their assignment and other. So, hostel room is important to all students. Hostel room should have a good environment so that they can sleep and do their assignment comfortable.

Abstract:

- i. To look into the existing hostel room layout and facilities.
- ii. To purpose additional design and new layout.
- iii. To provide an estimation of cost for decoration of hostel room.
- iv. Prepare taking off and BQ.

Expected outcome:

- i. Come out with the new design and new costing for the hostel room in INTI International University.
- ii. Able to prepare Bills of Quantities for this project
