

When it comes to **QUALITY**, nothing shines as bright as **INTI**

Fact 1

INTI College was a proud recipient of the Special Award for Export Education under the Industry Excellence Award 1997 for Export Excellence (Services). The Award was presented by the Prime Minister of Malaysia.

Fact 2

INTI College was granted the approval to offer the Graduate Diploma in Business Administration and Computing & Information Technology. The Graduate Diploma enables the students to obtain a recognised UK Honours Degree without going overseas.

Fact 3

In 1997, 100% passes have been achieved by INTI Engineering students in leading universities in the U.K. The percentages of INTI students who obtained first class honours are as follows:

University of Birmingham	67%
University of Leeds	54%
University of Liverpool	27%

Fact 4

The increasing amount of scholarships awarded to INTI students every year testifies to the growing confidence foreign universities have in INTI students. For example, in 1997, an impressive amount of scholarships worth more than RM 2 million from universities in the U.K., U.S. and N.Z. have been awarded to 148 INTI students.

Fact 5

Commendations from various reputable universities serve as an attestation of the quality of INTI students. Among them are ...
"...these students have done very well & are all a credit to INTI" - Peter J. Klassen, Director of International Programme, The California State University, Fresno
"INTI students make an invaluable contribution ..." - Professor Anu Arora, Associate Dean, The University of Liverpool
"They have succeeded very well ..." - Prof Lyall McLean, Assistant Vice-Chancellor, University of Otago, NZ

Fact 6

We have more than 150 staff who hold PhDs, Masters or professional qualifications to help our students in their studies and future careers.
