

Sponsored software for Inti courses

INTI College will incorporate new software packages into the curriculum of their accounting and business courses offered by the School of Business and Law at its four campuses in Subang Jaya, Kuching, Bandar Baru Nilai and Kota Kinabalu.

The college received sponsorship of the software, ValuePlus Accounting and ValuePlus Fixed Asset, which is worth RM653,296.

A signing ceremony was held at Inti to mark the official sponsorship. Inti College vice-president of administration Dr Lee Fah Onn signed on behalf of the college.

Dr Lee said that Inti recognised the need to integrate IT into the academic programme of the School of Business and Law.
