

Quality is the essence of INTI education

Teach English anywhere in the world

- Earn an International Certificate or Diploma in Teaching English to Speakers of Other Languages (TESOL) through Distance Learning. Awarded by Trinity College, London.
- For teachers who want to enhance their careers and continue postgraduate studies without leaving their jobs or going overseas, get the Associate Diploma ACTL(TESOL) at INTI.
- For future English teachers, a Certificate in TESOL gives you the qualification to pursue your career. It is the stepping stone to a Diploma and postgraduate studies.

"I received an excellent foundation which helped me to excel in my job. I am now able to ... prepare more effective lesson plans and execute them with added confidence and zeal. The course has a strong practical flavour ... and has given me the training I need to upgrade myself."

Mavis Lim, Kuching, ACTL (TESOL) 1996
now pursuing an MA in TESOL
from Sheffield Hallam University.

The course fee was affordable, the lesson notes were sufficient and the course coordinator was always available when help was needed. Many things learnt during the course have come in handy now that I am teaching.
