

## Inti awarded ISO 9002 certification

INTI students received some good news recently when college vice-president Dr Lee Fah Onn announced that its Subang Jaya campus had obtained the MS ISO 9002 award.

Dr Lee announced this during his address at an academic awards presentation ceremony, where some 326 graduates received their certificates.

The college's Indian Cultural Society and Students Affairs Office also organised a two-day Indian cultural event at its Bandar Baru Nilai campus recently.

The guests were treated to a performance of the *Ramayana* performed by students. Two students from the Temple of Fine Arts in Kuala Lumpur were invited to perform classical dances. Guests also had the opportunity to learn more about Indian culture and feast on Indian delicacies such as *ladoo*, *murukku* and *palkava*.
