

Inti MoU with Vietnam college

Inti College will sign a Memorandum of Understanding with the College of Foreign Affairs Economic Relations from Vietnam soon.

This is said to be the first time a local private college will forge academic ties with a college in Vietnam.

College of Foreign Affairs

Economic Relations Rector Dr Nguyen Thi Hong Nguyet expressed interest in Inti College's English Language programmes and the two colleges are looking into a collaboration with Business Management, Accounting and Computing programmes.

Inti plans to recruit stud-

ents from the college in Ho Chi Minh City and offer them specialised courses in Import-Export Business Administration, Business Management, Commercial Accounting, Restaurant-Hotel Business Administration and Petrol Business Administration.
