

Bringing good cheer ... Inti students take time off their studies to visit the children at the centre.

Malaysian care centre

The Inti Student Action Club (Inti Student Club) of Inti College Subang Jaya organised a voluntary visit to the Malaysian Care Children's Centre in Cheras recently.

The 15 children, ranging in ages from 7 to 15, received food and gifts brought by the members of the Club.

The volunteers provided lunch for the children and entertained them by playing games with them. Volunteer Vincent Mathew Loh said life is about touching someone else in a way that could not have been achieved otherwise.
