

Cheerful day at Inti college

SPORTS competitions, exciting activities and games created a cheery atmosphere at Inti College Malaysia's Sports Fest/Open Day 2000 recently.

An estimated 800 secondary students, Inti staff and students as well as the public were drawn to the event. Laughter, screams and cheers filled the air.

The main event was the sports competitions which saw 18 schools from Negri Sembilan, Malacca, Kuala Lumpur and Selangor taking part. The schools fielded some of their best players.

Dr Lee Fah Onn, vice-president of administration, Inti College Malaysia said he hoped that the event would spur and

MGS Klang students registering for Treasure Quest. They eventually won both the first and second prizes.

motivate other youngsters to participate in more sports events.

The sports competition — basketball, volleyball, street soccer and swimming — drew large crowds as the students battled it out for the challenge trophy.

The overall champion for the day was Sek Men Chan Wa whose swimmers bagged most of the medals. Bukit Jalil Sports School was proclaimed the first runner-up followed by Chung Hwa High School.

There were other interesting activities by various schools.

The School of Business and Law had students participating in their mind-boggling games in which teamwork counted. Games like Mission Impossible, Twister, Tootsie and The Mask were some of the main attractions.

Those who had the knack of solving riddles and brain-teasers were thrilled with the challenging Treasure Quest organised by the School of Languages and Liberal Arts.

Methodist Girls School, Klang, bagged both the first and second cash prize.
