

VISIT ... staff members and lecturers at the Shepherd's Centre.

Bringing cheer to children

Inti College staff make trip to Shepherd's Centre

By Josephine Santiago

THE Children of Shepherd's Centre in Semenyih had a day of fun when the lecturers and supporting staff of the School of Business and Law at Inti College Malaysia in Bandar Baru Nilai spent the day with them recently.

The visit was an opportunity for the staff to spend time with more than 40 destitute children at the centre.

Upon arrival, the children entertained the visitors to some delightful performances and songs in order to welcome them.

Food and drinks prepared by the visitors added that personal touch to the visit as the children were treated to a wide array of Malaysian delicacies.

The lecturers also presented gifts such as toys, dresses, stationery, sports items, badminton rackets and T-shirts.

Shepherd's Centre director Peter Jacob said the children were always happy to receive visitors.
