

ACHIEVERS

□ AT the recent INTI College academic award presentation, 222 students received the excellence award. Among them was Melissa Chin Kwee Mei who scored all As in her semester exam. The 20-year-old former student of Convent Muar is studying accountancy.

The other academic achievers included Lee Kim Lain, a former

student of Canossian Convent, Kluang, who excelled in the business foundation programme and Nicodermus Sutanto from Indonesia who distinguished himself in the diploma in computing and information technology.

□ ANG Guat Im from Institut Perkim-Goon Penang won the gold

medal for coming in first in the world and Malaysia for business statistics in the LCCI higher diploma series 4 exams held in November last year.

She also bagged the silver medal in management accounting.

Chong Pou Ling won a silver medal for cost accounting.
