

A special reunion for Inti alumni

INTI College recently hosted an Inti College Coventry University Alumni Reunion Dinner at the Legend Hotel in Kuala Lumpur.

It was an evening to be remembered, with friendships between both sides enhanced.

Members shared and related their experiences with the professors, lecturers and management staff from both the institutions.

Representatives from the Coventry University were Maureen Neel and Irene Glendinning.

Dr Lee Fah Onn, senior vicepresident of Inti College, Dr Saw Sot Heoh, principal, Inti College Subang Jaya, and

staff members from the school of Computing and Information Technology represented the college.

Dr Lee said the dinner was organised in line with Inti College's efforts to keep in touch with its alumni.

He said it was an avenue for people to network and make "valuable contacts".

The dinner saw a gathering of IT-related graduates from the university, which was one of Inti's oldest partner universities.

Together with the university, Inti has successfully offered the 3+0 degree programmes in Computer Science and Business Information Technology since 1998.
