

Inti scholarships for tennis players

INTI COLLEGE has offered scholarships to national table tennis players Yao Lijing and Jason Shim, who are currently in the Gemilang 2001 squad preparing for the Kuala Lumpur SEA Games in September.

Both represented Malaysia in the recent World Table Tennis championships in Osaka.

Table Tennis Association of Malaysia

president Datuk Chan Kong Choy said they were grateful to Inti College for offering the scholarship to the players.

"More private institutions of higher learning should be encouraged to support national athletes by offering them scholarships to further their education.

"The Government has always taken care of the welfare of these athletes and placed emphasis on their education," he said.
