

## ComQuiz 2001 to kick off in June

PETALING JAYA: After a one-year hiatus, the annual ComQuiz national IT competition for secondary school students will kick off in June.

ComQuiz 2001 will have as its theme "Today's e-Winners, Tomorrow's e-Leaders."

Its main objective is to complement the Government's efforts to increase computer literacy among students and promote greater appreciation of computers and information technology among Malaysians.

Participants will be tested on software and hardware, technology trends, Internet and basic computing skills and knowledge, co-organisers Star Publications (M) Bhd and Inti College Malaysia said at the launch of the competition yesterday.

For the past 10 years, the competition had been organised by *The Star* and microprocessor giant Intel Corp. This is the first year Inti College is taking part.
