

Inti students and staff run for a worthy cause

ABOUT 350 students and staff of Inti College took part in the Charity Run 2001 recently.

Inti College senior executive for student affairs Koh Yit Fong said their representatives took part in the run with the "We Care, We Share, We Run" tagline.

The run was organised by Hong Leong Foundation.

"The college is proud of the students and staff who showed that they cared.

"They were winners in their own way," added Yit Fong.

Next year, Inti College hopes to enter a bigger team for the run.
