Khoo, Inti College marketing manager Danny Lee, The Star's promotion co-ordination manager Ng Kok Wah, and two other staff of Eastview.

RM80,000 prizes await quiz winners

PETALING JAYA: Prizes worth more than RM80,000 await winners of *ComQuiz 2001*, the national information technology (IT) competition for secondary school students, slated for June.

The champions stand to win a challenge trophy, a personal computer, a printer and a scanner for their school and earn themselves plaques, reference books, Inti College sponsorships and prizes worth RM1,500.

The primary aim of the event is to complement the Government's efforts to boost computer literacy among students and promote greater awareness of computers and IT.

This year's theme is *Today's e-Winners, Tomorrow's e-Leaders*.

Participants will be assessed on software and hardware skills, technology trends and the Internet, as well as basic computing skills and knowledge.

The preliminaries will begin on June 16 and the final is expected to be held at Inti College's campus in Nilai on Sept 1.

The co-organisers of *ComQuiz 2001* are *The Star* and Inti College Malaysia.

The college, as well as SiS Distribution (M) Sdn Bhd and Eastview Publications Sdn Bhd, sponsored the prizes.

For more information, contact *The Star's* marketing services department (tel: 03-7967-1238) or look out for the entry form in *The Star*.
