**I**N conjunction with its 15th anniversary celebrations, Inti College Malaysia held a Sports Fest 2001 and Australian Universities Information Day (AUID) recently.

More than 600 secondary school students took part in the Sports Fest, which was the main event. It featured activities like basketball, volleyball, street soccer and swimming, organised by the college's five academic schools.

The participants vied with each other for the challenge trophy.

Hin Hua High School in Klang emerged overall champion while SMJK Chan Wa in Seremban and SMK(P) Methodist in Klang were the first and second runners-up.

The Information Day, which was being organised for the first time, turned out to be a success.

Representatives from seven Australian universities, University of New South Wales, University of Sydney, University of Tasmania,
