

POT OF GOLD ... KDU College Penang took first place in pool in last year's Penang Inter-Collegiate Games.

Penang students take part in Inter-Collegiate Games 76

COLLEGE students in Penang will be taking their rivalry to the field in the next two weeks when they compete in the state-wide Inter-Collegiate Games (ICG) from June 3 to 16.

Themed "Go For It!", the event is expected to draw over 1,100 students from 11 colleges, all vying for medals in 12 events.

The participating colleges include host KDU College Penang, TAR College, Informatics, Inti International College, Equator Academy of Art, IPG, FRIS, NIIT, Reliance, Disted-Stamford and Penang Medical College.

Three times overall champion KDU is co-organising the event with professional officials and various sports organisations.

Students will challenge each other in basketball, badminton, chess, bowling, tennis, table-tennis, netball, football, pool, plus three other sports — karate, swimming, and volleyball — that are being introduced for the first time this year.

ICG 2002 organising committee head Ding Saw Seong says: "The competition looks tough for KDU College this year as other colleges have started to train seriously many months ago."

The opening ceremony will be held on June 3 at KDU's campus located at 32, Jalan Anson.
