

**'HOSPITALITY SUITE' ...**  
*These stall operators at the food fair are ready to be culinary hosts to students from Inti campuses overseas.*

## Inti's grand get-together Star 6/1/02

'GRAND fun' are words that would probably best describe Inti's recent College Day to mark its 15th anniversary.

The celebration saw about 1,000 students, staff and alumni from its five local branch campuses as well as Inti colleges in Indonesia, Vietnam, Hong Kong and Thailand converging at its main campus in Nilai for a day of sports competition, food fair and musical performances.

The big day started with the marching of different sports

contingents from the various branch campuses, followed by a speech by Inti International Group of Colleges president, Tan Yew Sing, who then launched the celebration amidst much pomp, confetti and streamers.

An energetic group of Inti cheerleaders put up a vigorous and enthusiastic display, which set the mood for the day.

The bright colours of the decorations and stalls, the upbeat tempo of the students' performances as well as the array of

gastronomical delights available gave the Inti College Day a carnival air.

Vying for the overall champion trophy at the sports venues, Inti students and staff matched brawn and skills against their foreign counterparts in a multitude of competitions like street soccer, soccer, water polo, basketball 3-on-3, netball, table tennis and road relay.

The host for the day, Inti College main campus, emerged the winner.
