

Meaningful start to year for Inti staff

The children posing proudly with their gifts.

INTI College Malaysia staff found a meaningful way to spread New Year cheer and lend a hand to the community when they "adopted" 22 children from SRK (Tamil) Nilai on Jan 7.

The children, from poor families, were presented with school uniforms, school bags and stationery, as well as reading materials for the new semester.

The adoption of the 22 school-

children was part of the college's community service project *We Have Dreams Too*. It is a long-term project aimed at sharing knowledge and resources with poor schoolchildren in Nilai.

SJK (T) Nilai headmaster A. Gopalan expressed his gratitude for the effort extended.

"It has certainly put a smile on the faces of these children as they embark on their studies for
