Discover study options at Premier UK-Edu@INTI open day

IF you are keen to pursue studies in the United Kingdom, this is an opportunity not to be missed!

INTI College Malaysia, at Bandar Baru Nilai, and INTI International College Penang, will be organising Premier UK-Edu@INTI, an Open Day on UK universities on Nov 30.

It will be held at INTI College Subang Jaya on Dec 1 from 9am to 5pm. Admission is free.

A total of 10 universities from the UK including University of Birmingham, University of Hertfordshire, University of Manchester, Coventry University, University of

Leeds, University of Bradford, University of Abertay Dundee, University of Northumbria, University of Plymouth and Middlesex University will be showcasing their offerings.

Besides meeting universities' representatives and obtaining latest information on higher education in

UK, students will get the opportunity to know more about their career options and scholarships. Other activities lined-up are counselling, exhibition, campus tour and free gifts.

In a recent survey conducted by Open University in UK, John Brennan revealed that British graduates

are more likely than their European counterparts to have a permanent, full-time job after graduation.

Being one of the Group 7, UK certainly has its advantages for students who are planning to pursue their studies in engineering, IT, medicine, literature, law, mass com-

munications and trade and finance.
