## 25 students give home a spruce-up

**TWENTY-FIVE** students from INTI College recently visited a children's home in Sungai Chua, Kajang, Selangor to volunteer their services in sprucing up the place.

The students, members of the college's Christian Fellowship, cleaned up Desa Amal Jireh's compound and washed two vans belonging to the home.

Later, they cooked lunch for the children aged six to 12

and entertained them with songs and games.

A spokesman for the group, Bryan Chuah Jue Jun, said they enjoyed being with the children.

"We believe we can make a difference in the children's lives and hope more college students will also reach out to homes like this," he said.

Desa Amal Jireh has 85 children and seven senior citizens in its care.
