

Inti's students of excellence and merit

By JESWANT KAUR

INTI Group of Colleges recently presented certificates of excellence to its students who had achieved excellent academic results.

The Excellence Awards went to students who consistently obtained an average of 80 marks for all the subjects

they had enrolled for. The Merit Award, meanwhile, was given out to students who kept an average of 70 marks for each subject.

Inti College Malaysia had eight Excellence Award and eight Merit Award recipients, while Inti College Subang Jaya had 15 students receiving the Excellence Award and 48 who received the Merit Award.

The students from the School of Business and Law were also honoured by CIMA's Malaysia division for outstanding performance in the Cost and Management paper.

One of the CIMA Malaysia division recipients, Zhang Yun Wa, from Shanghai, China, attributed her success to her lecturers and her "ability to adapt to different cultures and lifestyles" which has helped to make her more resourceful.

Another recipient, Wong Lai Thoow, expressed her gratitude for the unconditional support from her parents and lecturers. Fellow recipients Molly Lai, Ng Pooi Yee and Thang Wai Kin said hard work and attentiveness in class were the factors behind their success.
