

10 reasons why INTI is Malaysia's Premier Private College.

And 4 more to consider.

At the inaugural Private Education Night 2003, INTI College Malaysia was honoured with the following awards by the Ministry of Education, Malaysia:

- Highest Enrolment of Local Students
- Highest Enrolment of Foreign Students
- Highest Number of Foreign Campuses
- Special Award

1. Our consistency in top management guarantees consistency and stability in the quality of our programmes and instruction.
2. We have spent RM42 million to develop our ICT Infrastructure and Learning Resource Centre, with another RM20 million allocated to enhance our ICT facilities, including the implementation of Total Broadband Solutions with TMINet to promote e-learning and to provide a virtual campus at INTI College, Malaysia.
3. In 2002, more than 95% of INTI students graduated with First Class and Second Class Honours from leading UK universities, namely Aston, Birmingham, City Bradford, U of Exeter, U of Leeds and U of Nottingham.
4. For three consecutive championships, INTI has emerged victorious in the MAFU (Malaysian Association of Private Colleges and Universities) Inter-College Games, winning in basketball, volleyball, swimming, table tennis and cycling.
5. Over 85% of Malaysian students who have successfully graduated to the US since 1992 are from INTI - the biggest placement by any private college in Malaysia and that recognized by the U.S. Department of Commerce's Secretary recently awarded INTI Certificate of Appreciation of Achievement Teacher.
6. Over the past seven years, INTI has disbursed at least RM1 million worth of scholarships to over 2,778 deserving students.
7. In 1997 INTI College was bestowed the Industry Excellence Award for Export Education by the Malaysia Industry of International Trade and Industry for its organizational excellence and quality achievement in education. INTI College Malaysia, INTI College Subang Jaya and INTI College Sarawak have been granted ISO 9001:2000 and MSISO Quality Management System Certificates by the Standard and Industrial Research Institute of Malaysia (SIRIM).
8. INTI College pioneered the institutionalization of education in Malaysia and has provided access to overseas tertiary education to more than 282 foreign institutions in the UK, Australia, New Zealand, Canada and the US.
9. Every year our graduating students are employed by multinationals such as Citibank, Dell, Canon, IBM, Shell International Services and Singapore Telecom.
10. INTI's strong strategic alliances with industry leaders such as IBM, Intel and Western Digital spin off better internship and career development opportunities for its students than any other private college can offer.
