

**INTI TEAM:** Representing Malaysia in table tennis.

NST 10/8/03

## INTI team to represent country

INTI College's Table Tennis Team will represent Malaysia in the coming International Table Tennis Championship in Jakarta from Aug 20-24.

The championship, to be held for the fifth time, is also known as the Indocement Heidelberg Cup 2003.

"It is indeed an honour for INTI College to represent Malaysia in the international sports tournament," said Tan Yew Sing, president of INTI International Group of Colleges, during a flag presentation ceremony after the INTI Table Tennis Open Championship 2003.

This is a first for an educational institution to carry the flag of Malaysia in a world-class table

tennis tournament.

Also present at the ceremony was Table Tennis Association of Malaysia (TTAM) secretary Chan Foong Keong.

INTI's men's team comprises Qi Quan Cai, Ng Shiu Leong and Chan Kee Chien while Yao Lin Jing, Beh Lee Wei and Ng Sock Khim will take part in the women's event.

It emerged overall champions in the TTAM National Table Tennis League 2002 after beating Pu Xian, one of most reputable table tennis teams in the country.

In 2001, INTI signed a MoU with TTAM to offer sports scholarships to national table tennis players.
