

15/6/03 SIMAU

THE Inti Foundation  
and the Education

Ministry are organising  
the first Information and  
Communication Technology workshop for  
secondary school teachers and  
administrators in Peninsular Malaysia.

About 200 secondary school teachers  
and administrators are expected to attend  
the workshop to be held on June 28 at  
Inti College in Subang Jaya.

The key objectives of the workshop

## IT workshop for teachers

include to support the Education Ministry  
in creating an infrastructure for new  
teaching-learning and management  
process, to teach teachers and  
administrators on the effective use of  
software and to upgrade the ICT  
knowledge of teachers and school  
administrators through the latest  
roomware and smart technology.
