SMJK Kwang Hua captured both the boys' and girls' table tennis titles to retain their overall championship title at the Fourth Inti College Sportsfest recently.

Due to a downpour, SMK Tanah Merah Site 'C' won both the basketball titles through sudden death shoot-outs to finish overall runners-up.

The rain also forced the volleyball winners to be decided by a toss of coin.

SMJK Chan Wa of Seremban retained their boys' swimming crown.

More than 900 students from 21 secondary schools from Negri Sembilan, Selangor and

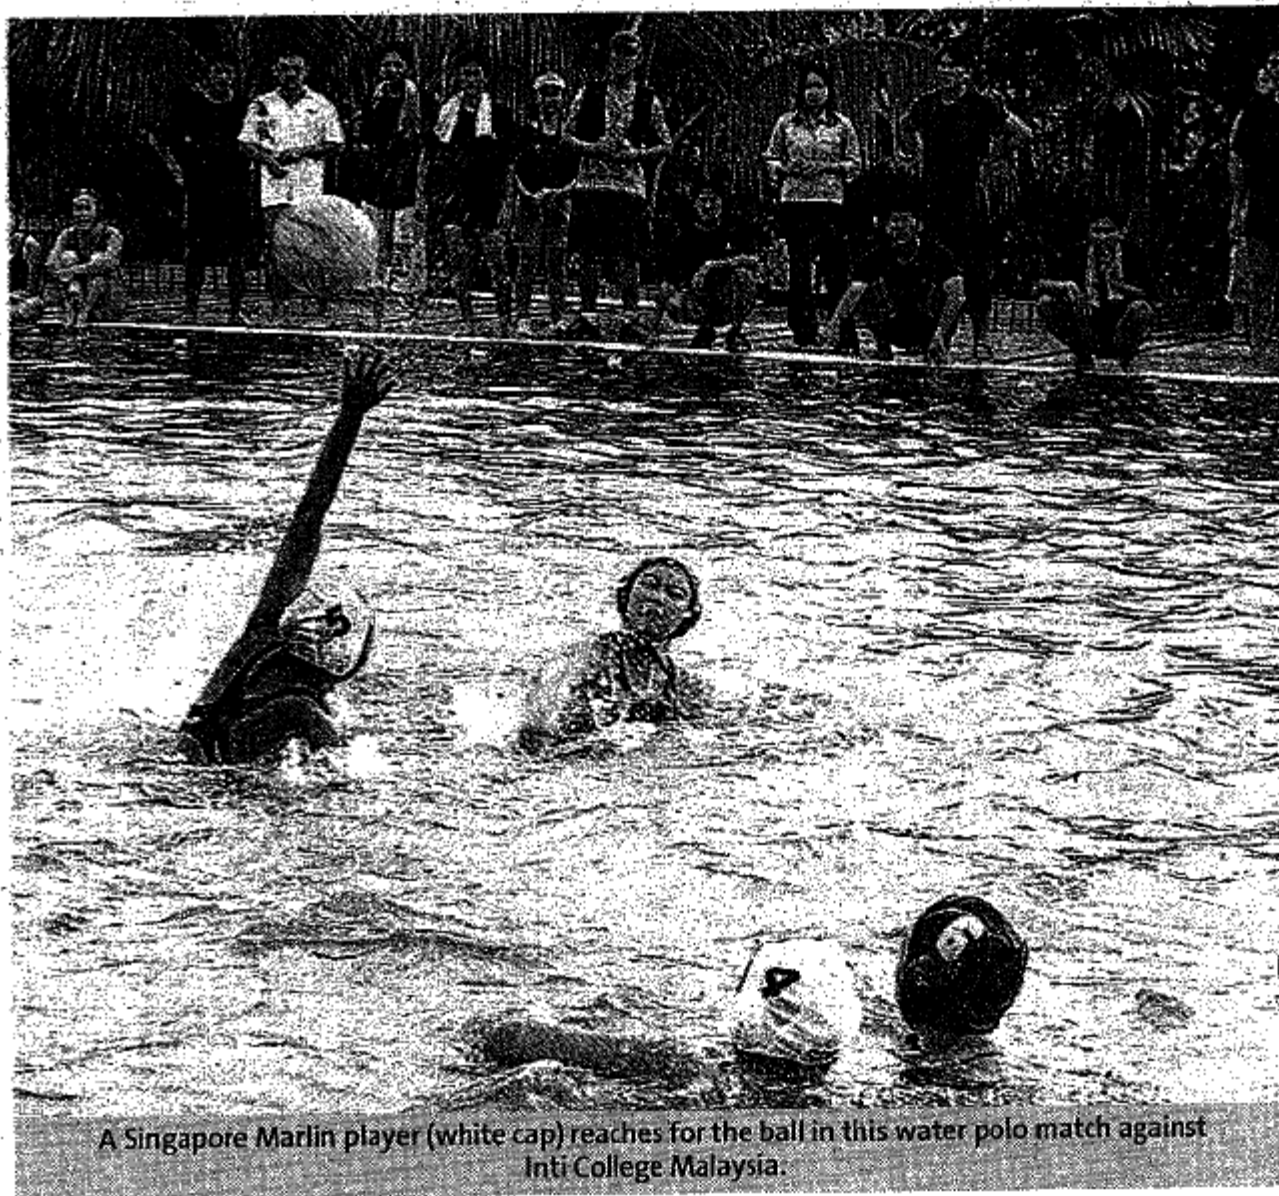

Kuala Lumpur took part in the sportsfest.

A total of 20 teams, including two from Singapore, took part in the inaugural Inti College Malaysia (ICM) Open Water Polo Championships.

There were four women's teams comprising hosts ICM, Sri Cempaka (Kuala Lumpur), Stingray (Singapore) and Marlin (Singapore). However, the local teams were no match for the more experienced Singaporeans.

In their opening matches, eventual champions Stingray thrashed Sri Cempaka 35-0, while Marlin, who finished second, trounced ICM 21-4.

In the men's final, Chinese Swimming Club Penang beat Tsunami 9-6.
