

INTI helps out poor students

FOR A GOOD CAUSE: A student from SRJK (T) Ladang Batang Benar receiving a package containing stationery, school uniform, shoes and school fees from Sia.

INTI College believes everyone should do his or her best to help those in need. With this in mind, its staff recently extended a helping hand to 63 needy students in two primary schools.

Students from SRJK (T) Ladang Batang Benar and SRK Dato' Ahmad Manaf received school bags, stationery, school uniforms and school fees for the new term.

The "adoption" of the schoolchildren was part of the college's community service project called "We Have A Dream Too". The project is a long-term one aimed at sharing knowledge and resources with poor schoolchil-

dren in the Nilai neighbourhood.

SRK Dato' Ahmad Manaf headmaster Zainal Abidin Ahmad expressed gratitude to the college for the gifts.

He said: "Thus far, no private college has come forward to help the needy students and I'm glad INTI has initiated this step."

INTI College Malaysia director of administrative affairs and student services Dr Sia Ah Hiok said the college was proud to carry out the project as it had always been its desire to fulfil its moral responsibilities.

She said it had undertaken the project as it recog-

nised that every child should be given an opportunity to realise his or her dreams to excel, despite the difficulties.

The donation came from staff of INTI, as well as from the public. The college also sought volunteers from among its graduates and lecturers for the project.

The enrolment for the college's next semester begins on April 21.
