

# INTI's Pre-U course popular

**T**HE reputation for quality preparation and relevance to university education worldwide is the cornerstone of the internationally-recognised Pre-U programmes offered at INTI College.

INTI's commitment to "Quality, the Essence of INTI", as proven by the achievements of its students over the years, is also evident in its Cambridge A-Level and South Australian Matriculation (SAM) programmes.

In the 2004 session, 21 per cent of INTI Science students under the A-Level programmes scored straight As.

Leading performer Teng Liek Yek obtained As in Physics, Chemistry and Mathem-

atics.

In 2003, 94 per cent of INTI students who took SAM programmes completed their South Australia Certificate of Education (SACE) and gained entrance to reputable universities in the world.

Twenty five per cent of INTI students also obtained a Tertiary Entrance Rank of 90 and above in the same year.

One of the straight As achievers, Cherrine Chan Yueh Ying received a three-year full tuition scholarship worth A\$49,500 (RM145,000) from the Malaysia Australian Colombo Plan Commemoration (MACC) Initiative.

She is pursuing a Bachelor's in Biotechnology and Cell Biology at La Trobe Uni-

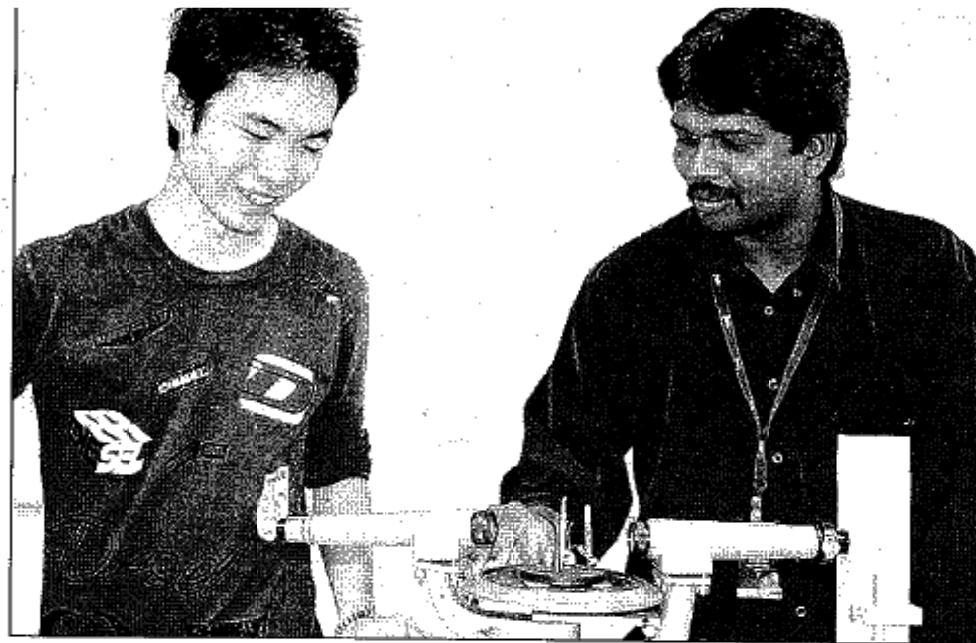

versity in Melbourne.

A popular option among Malaysian students, the Pre-U programmes at INTI offer a wide range of subjects such as Accountancy, Computer Science, IT, Engineering, Law, Medicine, Pharmacy, Allied Health Sciences, and Life Sciences.

Through INTI College, students can use their A-Level or SAM results for admission to different degree programmes such as 1+2, 2+1, 2+2, 3+1 and others which INTI has with over 280 partner universities in the US, Canada, UK, Australia and New Zealand.

Head of Cambridge A-Level programme Tai Teck Wah said INTI offered a 32-hour English programme for its A-Level students.
