

INTI scholarships up for grabs

SCHOOL leavers who scored 6As and above in their SPM examination gets INTI immediate approval for Merit Scholarships which is available at INTI College Malaysia in Bandar Baru Nilai and INTI College Subang Jaya. The scholarships awarded are in the form of tuition fee waiver ranging from 25-100%.

Every year, INTI College sets no limit on the number of scholarships awarded because the College believes there is no limit to one's potential. Last year INTI College Malaysia had awarded about RM1.5 million worth of scholarships to 152 students. Another 314 INTI students received their scholarships totalling RM4.4 million from INTI's partner universities in the United States of America, Australia, Canada, New Zealand and United Kingdom.

To date, more than 70 American universities are offering scholarships to international students. Out of these universities, 22 universities have special scholarship allocations for INTI students. Over the past eight years, INTI College has awarded as much as RM45 million worth of scholarships to over 4,200 deserving students.

Among the universities that have special allocations for INTI students are Bemidji State University, California State University - Fresno, Michigan Technological University and Mississippi State University in the US as well as University of New South Wales and University of Adelaide, Australia.

INTI College offers three main types of scholarships - Merit Scholarship, Achievement Scholarship and Sports/Special Talent Scholarship. The Merit Scholarships are awarded to students with good academic results while the Achievement Scholarships are given to needy students who are active in extra-curricular activities. Sports/Special Talent Scholarships are specially designed for students who are state or national players.

The amount of scholarships given to students each year speaks volume of INTI College's track record.

In the year 2003, INTI College received two recognitions, each from UK and American. The Quality Assurance Agency (QAA), UK gave INTI College top commendable rating for its 3+0 twinning programmes with the University of Hertfordshire and Coventry University, UK.

Last year, INTI College Malaysia bagged four awards from the Malaysian Ministry of Education for having the highest enrolments of local and foreign students, highest number of foreign campuses and overall excellence.

INTI College offers a wide range of academic programmes at certificate, diplomas and bachelor degree levels. Students can apply to enrol in SAM, A-Level, American Degree Transfer Programme, Diploma Programmes (Business/Engineering/IT) or Foundation programme.

In addition, INTI College also prepares its students to move smoothly from college into the working environment. The College has signed record-breaking memoranda with 14 companies under its Student Industrial Attachment/Graduate Internship Programme (SIAGIP) for industrial attachments or graduate internship.

The participating companies are from various backgrounds such as IT, business, engineering, insurance, securities and publishing firms.

In its 18th year of operation, INTI's student population is now 13,000 out of which 17% are international students.

INTI College Subang Jaya will have special open days with Business, Law & Engineering Focus on March 27, Applied Science & Social Science Focus on April 10, and IT on April 17. Students can enquire about the courses and bring along their results to apply for Merit Scholarship.
