

Leading the digital advance.

INTI alumna Ivy Chin Hai Yan won a gold medal in the inaugural Cyberaya Digital Video Competition 2003 for her 6 minute video on Malacca. A graduate in Multimedia Studies (2003) with Second Class Upper Honours, she currently works as a web designer.

Challenged by globalization, INTI has to date invested RM42 million and pledged RM20 million more to prepare its students to be more IT-competent and competitive. To this end, INTI is already making into reality its vision of an IT intelligent learning environment which other colleges can only begin to dream about. INTI's main campus is fitted with the latest ICT infrastructure and facilities, including an INTI smart card, online learning, TMNet broadband facilities, wireless hotspots, video-conferencing, as well as free Internet access in all computer laboratories and hostel rooms. Furthermore, INTI's 4-storey Learning Resource Centre houses a fully computerised library, a staff development centre, lecture theatres and advanced work stations, making it Malaysia's first multimedia centre of its kind.

Below, from left:
Leading INTI's digital advance: Shanmuga Sundaram, (Head, School of Computing & IT, ICSJ); Tan Guan Chin (Acting Dean, School of Computing & IT, ICM).

NEXT INTAKE
26 April 2004
COURSE COUNSELLING
28 Feb - 9 May '04
9:00am to 5:00pm
(Monday to Friday, Sunday & public holidays)

Our achievements speak for us

- INTI College was honoured with a National Creativity and Innovation Award 2004 from Malaysia Design Technology Centre (MDTC) in recognition of its application of creativity and innovation to achieve a strong brand presence for itself
- At the Private Education Night 2003, INTI College was honoured by the Ministry of Education with four awards: for the most number of foreign campuses, for the highest enrolments of local students and foreign students, and for overall excellence
- Since 1998, INTI has produced more than 10,000 business and IT degree graduates — hence doing its part to help fulfil the country's goal of building a strong knowledge-based economy
- INTI is the only overseas institution which has been designated as an Associate College by both the U of Hertfordshire and Coventry U and its twinning programmes with these two universities have been rated "Excellent" by the Quality Assurance Agency (QAA) in the UK
- Over 40% of all Malaysian students who successfully transferred to US universities since 1992 are from INTI College
- INTI College emerged overall champion in the MAPCU (Malaysian Association of Private Colleges and Universities) Sports Tournament for the past three consecutive years
- The strong strategic alliances INTI has with reputable industry leaders, such as IBM, Intel, Singtel and Citibank have made possible many invaluable internship and career opportunities for its students
- INTI has awarded as much as RM40 million worth of scholarships to over 3,819 deserving students over the past 10 years, far more than any other private college in Malaysia

Computing@INTI MAJORS AVAILABLE FOR DEGREE & DIPLOMA LEVEL OF STUDIES

Business IT*, Computer Science*, Multimedia Computing*, Network Computing*, Software Engineering*, Management Information Systems

*3+0. Other study options: 3+1, 2+2, 2+1 or 1+2. Students may choose to complete their degree studies locally or complete part of their degree studies and then transfer to established universities in the UK, USA, Australia or Canada.
