LINKIN PARK

Do your bit

WARNER Music Malaysia and the National Blood Centre will be holding a blood donation campaign – *Bleed it Out* – on Aug 6 at the concourse area of Inti College in Subang Jaya, Selangor, from noon to 4 pm.

The campaign aims to raise awareness on the importance of blood donation to help those in need.

Ntv7's *The Breakfast Show*, the official programme supporting the campaign, will be covering the event.

The campaign will also see the participation of local artistes and personalities. And you could be part of it too.

The first 20 callers to call Warner on 03-7876 0611 today from 7pm onwards will be in for a treat. Details will be explained to the callers.

The 20 donors will each walk away with a goodie bag and Linkin Park's new album, *Miures to Midnight*.

The blood donation campaign also coincides with the release of Linkin Park's second single, *Bleed It Out*.
