Inti College among top contenders for honours

PETALING JAYA: Four teams - Inti College, Safra (Singapore), Redang Bay Resort and DC Hydraulics - will be the top contenders for the team title in the National Table Tennis League Grand Finals at OCM Indoor Sports Arena in Kuala Lumpur this weekend.

And it will be anybody's guess as to who will be crowned champions this year.

Top national women's player Beh Lee Wei is still recovering from an injury and may not see action for Inti College but they are still a force to be reckoned with.

Inti still have the services of national players Ng Sock Khim, Chai Kian Beng and Choo Sim Guan.

All four teams who are contending for the title have the services of one foreign player each.

The other four teams in the fray - Sunsports (Singapore), Promptcon Enterprise, Petaling District Ping Pong Association and Budi JS - are not expected to be a major threat.

The team event will take place on Sunday and the winners will get RM12,000 while the runners-up will receive RM6,000.

The third and fourth placed team will pocket RM3,000 and RM1,500 respectively.

For the singles event which will be held tomorrow, a total of 55 players are taking part. The singles champion and runner-up will receive RM800 and RM400 respectively.
