#rethinkEDU

My kid is doing Pre-U.
I expect good lecturers to teach her.

Chan Li Seng, Father & Business Owner

Actually, it's better than what
my Dad expects...

**I've dedicated
lecturers teaching
me in *smaller* classes.**

That means more personal attention.
More conducive learning environment.
Better results.

Nateline Chan, Pre-U Student

We keep our Pre-U classes small to ensure that you get a solid foundation for your tertiary education. You will have highly experienced staff to guide you all the way to a top-ranked university, be it in the UK, the US, Canada, Australia or any other country.
