

Mapping out a future in business

WITH high-quality business programmes backed by strong industry collaboration, INTI intends to fulfil the educational needs of both working professionals and undergraduate students.

Through the development of career-focused knowledge, acumen and abilities, learners are empowered to meet the challenges of the global workplace.

One of the most respected and trusted names in the Malaysian private higher education industry, INTI is part of the Laureate International Universities network that spans 30 countries and online, with more than 75 accredited universities and 130 campuses, serving nearly 800,000 students globally.

Being part of the Laureate network means that on top of what it already offers, INTI provides access to the global resources, best practices, teaching methods, international faculty and management tools that are world class.

Strategically located in Menara

KH, Jalan Sultan Ismail, Kuala Lumpur, INTI International College KL is easily accessible by road and public transport and offers a suite of business programmes at foundation, certificate, diploma, bachelor's and master's degree levels.

These include 3+0 business degree courses in Accounting, Accounting & Finance, Business Administration and Finance, which are designed in collaboration with the UK's University of Hertfordshire.

Learners also have the option of attending classes for the diploma in Business and degrees in Accounting & Finance and Business Administration in the evening.

University of Hertfordshire is an award-winning entrepreneurial university and one of the world's top 100 universities aged under 50 in Times Higher Education's World University Rankings portfolio.

The rankings are based on excellence across teaching, research, citations, industry income and international outlook.

University of Hertfordshire scored

INTI's business students will be equipped with cutting-edge knowledge and skills that are fundamental to exercising critical thinking in the competitive business arena.

highly for the citing of its academic research on a global scale and for its international outlook and mix.

INTI is also offering a Master of Business Administration (MBA) programme in collaboration with University of Wollongong's Sydney Business School (UOW-SBS).

UOW-SBS is ranked among the top three business schools in Australia according to the QS Global 200 Business School Rankings 2011/2012 and top 200 business schools in the world according to QS Global 200 Business Schools Report 2012/13.

A unique point about the UOW-SBS MBA at INTI is that lecturers from UOW-SBS in Australia will

deliver at least six out of the 12 modules in Kuala Lumpur.

Additionally, local tutors with PhD qualification will provide tutorial support to all students. MBA students will also attend six special "master classes". These will be delivered by UOW-SBS lecturers or local industry experts in a range of topics related to contemporary business issues such as Corporate Social Responsibility, Innovation, Entrepreneurship, Supply Chain Management, Business Risk and Change Management.

Catered to working professionals as well as traditional students, INTI offers hi-tech facilities that allow students to connect and

interact with their peers, instructors and employers in other parts of Malaysia and abroad with the goal of empowering students via international exposure, innovative learning and individual development.

Among the advanced software available is Epson's Easy Interactive Tools, which enables instructors and students to highlight documents and images in various Microsoft formats on a projection screen, thus making presentations and lessons much more compelling.
