#rethinkEDU

My kid is doing **Pre-U**.  
I expect good lecturers to teach her.

*Chan Li Seng, Father & Business Owner*

Actually, it's better than what  
my Dad expects...

**I've dedicated  
lecturers teaching  
me in *smaller* classes.**

That means more personal attention.  
More conducive learning environment.  
Better results.

*Nateline Chan, Pre-U Student*

We keep our Pre-U classes small to ensure that you get a solid foundation for your tertiary education. You will have highly experienced staff to guide you all the way to a top-ranked university, be it in the UK, the US, Canada, Australia or any other country.
